

## RESPONSIBLE BAR PATRON CHECKLIST

Stop the spread of COVID-19.

Keeping Tampa's bars open depends on all of us.

Following Governor DeSantis' Executive Order 20-139 effective June 5, 2020

- 
- Bars may not exceed 50% of allowable capacity inside.**  
When the max capacity is reached, no one else may be admitted.
  - No seat, No Service.** All patrons must be **SEATED** to be served.  
If tables are filled, you must **leave the establishment.**
  - You may not stand around with a drink,** inside or outside of a bar.  
You must be seated at a table or **leave the establishment.**
  - Move along.** Lingering and loitering at the entrance of an establishment is **prohibited.**
  - Refrain from singing or loud talking.** Both of these activities are linked to high rates of COVID-19 transmission.
  - Maintain a **6-foot distance** from those not in your group whenever possible.
  - Wash your hands regularly.
  - Wear facial coverings when not drinking or eating.** Facial coverings should be worn when in public or when safe social distancing cannot be maintained.
  - Do not gather in groups of more than 50.
  - Get tested for COVID-19** Call (813) 272-5900 for free testing.  
*No symptoms necessary. Insurance not required.*
  - The state ABT is conducting site visits to bars in Tampa. Patrons not following the rules could result in a \$500 fine, 60 days in jail or closure of the establishment.**
